PROPERTY ADDRESS

As scaled from FEMA's FLOOD INSURANCE RATE MAP, Community No. 480321, Panel No. 00030, Panel Dated 3/21/78, this tract is in Zone(s) X and is not in a special flood hazard zone, as that term defined by FEMA. This flood zone identification is this surveyor's interpretation, which may or may not agree with the interpretations of FEMA or state or local officials, and which may not agree with the tract's actual conditions. This surveyor does not certify the accuracy of this flood zone designation. It is the responsibility of any interested persons to verify the accuracy of the flood zone designation with FEMA and state and local officials. Because this is a boundary survey, the surveyor did not take any actions to determine the flood status of the surveyed property other than interpret the status off of FEMA's FIRM. This surveyor is not responsible for misinterpreting the flood zone designation or any flood information printed on this survey. This surveyor is not aware of or responsible for determining the tract's flood risk, its intended function or suitability for any use whatsoever.
